Re: Highland Creek Manor HOA
Pre-Emergent and Weed Control Application

Manders Landscape Services has scheduled a Pre-emergent and Weed Control application for **Monday, March 21st (weather pending). If Monday rains, Manders will reschedule for later in the week and owners will be notified of the new date.**

According to Manders, watering is only required a couple days after the application.

Please feel free to contact Nancy Barcenas or me should you have any questions or concerns at c.long@sbbmanagement.com or n.barcenas@sbbmanagement.com, or call us at 972-960-2800.

I will be out of the office Monday the 21st and back in the office on the 29th.

Thank you for your assistance.

Regards.
