

# 2023 UT Southwestern North Texas Prostate Cancer Coalition Symposium

The latest in prostate cancer diagnosis, treatment, and survivorship

Saturday, May 20, 2023  
8 a.m.-2 p.m. CDT  
UT Southwestern Medical Center  
Dallas, Texas

Around one in eight men will be diagnosed with prostate cancer during his lifetime, and Black men are at higher risk. Join prostate cancer experts and survivors to learn about new treatments, health equity, and how to navigate a diagnosis. Preview the film *The Silent Killer: Prostate Cancer in the Black Community*. All are welcome, including patients, family members, and anyone interested in prostate cancer. **The event is free, and lunch will be provided.**
